Re: Docket Number: E-01345A-16-0036 + E-01345A-16-0123

Dear Commissioners,

I have recently learned of APS requesting an increase in the monthly service. Being a Small business owner and an APS customer this is very concerning to me. Due to utilities already being a significant expense for my business an increase in the monthly bills could restrict any growth that I would like to see over the next year in my business.

I strongly urge you the members of the Commission to take into deep consideration the economic effect this will have on small businesses throughout Arizona who receive services from APS. Especially those small businesses that are the main economic support to the small rural towns throughout APS region.

Please vote NO on any monthly service charge or other unnecessary increases.

Sincerely,

Arizona Corporation Commission
